

MOHAMMAD NAFIS FUAD

ASPIRING WEB DEVELOPER AND VISUAL DESIGNER

Dhaka, Bangladesh | nafisfuad2024@gmail.com | nafis2024.github.io/NafisFuad

I am a student who is deeply interested in technological stuffs, writing blogs and involving myself into innovative projects. My projects and involvements reflect my curiosity and skill sets. Additionally, I am always learning something new and improving myself. I am looking forward to diving into STEM related projects.

AREA OF EXPERTISE

Web Development	React JS	Node JS	Research & Analysis
Visual Design	Tailwind CSS	Canva & Adobe Express	UI Design

KEY ACHIEVEMENTS

- Project Management.** Led a team of 20 people into creating content and focusing on indefinite growth of valuable technical skills. Brought in creative ideas and managed to stay strong during hard times.
- Brand Growth.** Successfully implemented my designing and programming skills to build websites ready for the audience. Influenced 100+ visitors.
